Please review the attached report in relation to S. 2477 on a priority basis.

It is hard to imagine any situation in which an outside person contacting the Agency about sensitive matters could fall within the definition of lobbying in this bill; therefore, it appears that we have little interest in it. It is a fairly convoluted piece of work and I am attaching a floor statement about it which provides a synopsis of its provisions. Thank you.

Concur with your proposed comments regarding S. 2477. In addition, the section relating to exclusions concerning "communications or solicitations by Federal officers or employees" would clarify the current situation relating to communications to Congress by Agency officers or employees which recently concerned the Director.
